## How it works

- Show your pass to a ranger when you enter. If there is no ranger, leave it on the dashboard of your car.
- If you visit a site that charges entrance fees per person— The pass admits all children under 16 and up to three adults for free.
- If your group visits a site that charges vehicle entrance fees - The pass admits all children under 16 and all adults in up to one passenger vehicle. Commercial vehicles can't use a pass to get in.
- If you arrive at a site on bicycle— The pass admits all children under 16 and up to three adults on bicycles.
- The pass doesn't cover things like parking fees, camping, boats, and special tours. Also, some sites are managed by private operators. They may not honor the pass. Check with the site ahead of time to find out.
- The pass doesn't cover fees for local, city, or state parks and recreation areas unless they say that they accept this pass.
- Paper passes can be exchanged for plastic passes at certain sites.
