Riu Hotels makes no anticipated charges on your card. The hotel requires your information to secure your reservation in case of cancellation after the deadline or no-show. Once confirmed, payment is made directly at the reception, on arrival or departure depending on the hotel. You can make the payment in cash or by credit card and will be paid in the local currency of the country with the exchange rate of the day of arrival. We recommend to prepay your reservation to avoid currency fluctuations. Please note that when making your reservation or request, some banks may make a charge on your account by the value of 1 euro, dollar, Mexican peso or sterling. Although it appears on your statement, this fee is not real, only made for technical and will disappear within 7 days. We regret any inconvenience this may cause.
