

Dear Embassy Representative,

I hope this email finds you well. My family and I are planning to travel to Brazil during the Christmas holiday, and this will be our first time visiting the country.

My husband and my son both hold U.S. passports, so they will be applying separately for an **eVisa**. However, I hold a **Chinese passport** and a **U.S. Green Card**, so I am applying for a **regular visa** separately.

Below is our planned itinerary:

- 12/18 New York to Sao Paulo Brazil
Flight number AA 951
- 12/20 Sao Paulo to Fernando de Noronha
Stay in Hotel Pousada do Vale
- 12/25 Fernando de Noronha to Iguaçu falls
- 12/27 Iguaçu falls to Rio de Janeiro
- 12/29 Rio de Janeiro to Sao Paulo
- 12/31 Sao Paulo to New York
Flight number AA 950

Please let me know if there are any specific requirements or additional documents needed for my visa application. I would appreciate any guidance on the process.

Thank you for your assistance. I look forward to your response.

Best regards,

Jingjiang Li
