

Dear Visa Officer,

Greetings!

I am writing to apply for a tourist visa to visit Spain during the upcoming Christmas holidays. My family and I are planning a vacation to Spain from December 19 to December 31, 2024. Our travel group will consist of my parents, my husband, my son, and myself. My husband and my son are US citizens who do not need a Visa. My parents are applying for their Visa from Beijing.

Our itinerary includes spending five days in Tenerife to enjoy the beautiful beaches and local culture. Following our time in Tenerife, we plan to take a road trip from Barcelona to Madrid, exploring the sights and landmarks along the way.

I will be covering all expenses for this trip, including accommodation, transportation, and daily expenses, for myself and my family members. I have attached all the necessary documents to support my visa application, including proof of accommodation, flight reservations, and my financial statements.

We are very excited about the opportunity to explore Spain and experience its rich history and vibrant culture. We assure you that we will fully comply with all the rules and regulations during our stay and return to New York as scheduled.

Thank you for considering my application. Please do not hesitate to contact me if you require any further information.

Yours sincerely,

Jingjiang Li
